## News from Rotary International Convention

The whole continent of Africa is on the cusp of being polio free, Dr. Hamid Jafari told audience members at the Rotary Convention on June 8 in São Paulo, Brazil. Reported cases of polio dropped to just six in Nigeria, with the last case reported in July of last year. The last case in all of Africa was reported in Somalia in August.

Rotary Foundation Trustee Chair John Kenny reports that the Annual Fund reached almost \$117 million in 2013-14. This year, if contributions continue at the normal June rate, the fund will top that figure, making it the highest ever, he said.
